

GARDEN CLUB TAB 9 FOR BOARD

25 May 2021

ISSUE: Recognize the Garden Club as an official Club at Lake Holiday

BACKGROUND: Several volunteers work to address the grounds of the Club House and Gate House. These volunteers would like to be recognized as an official club at Lake Holiday which will allow them to publish in the LH Newsletter and vie for additional volunteers. These individuals will be meeting, most likely, on Thursdays every other week to maintain the presence at Lake Holiday. Days may be switched depending on rain and events that may require additional grounds pruning.

SUMMARY: Since we already have a group of people volunteering as an Ad Hoc Garden Club, they would like to be officially recognized

RECOMMENDATION/ MOTION: The Board to vote to officially recognize the Garden Club.
