Beach 1 - Bridge

Building, Grounds and Safety Advisory

January 24, 2023

- Issue: Beach 1 bridge requires refurbishment or replacement
- Background: The current bridge
- Funding Source: Capital Improvement Plan (CIP) funds leftover from 2022.
- Recommendations & Summary:
 - Maintenance crew will pull the current bridge to straighten out the railings, remove the carpet and wooden flooring for replacement, paint the bridge black, and reinstall the bridge.
 - Have Reading Landscaping extent the walkway to the edge of the bridge. Use 2023 landscaping funds to complete.
 - Need new stairs to the beach level. Maintenance crew should be able to build those stairs.
 - Minimum investment required. Wood and paint
- Motions: Recommend the board approve the refurbishment of the bridge.
- Name: Darrell Melcher, Lake Holiday Board Vice-president
- Addendums: N/A
